NEW STUDENT STARTER PACK TERMS & CONDITIONS: A New Student Starter Pack is available from New England Biolabs (NEB) Canada Ltd to any new, postgraduate research student in Canada who is not currently on our mailing list and who has not previously received a New Student Starter Pack from NEB Canada Ltd. To qualify for a New Student Starter Pack individuals must supply their contact details by completing and submitting the New Student Starter Pack online form, and must meet the conditions above. Supervisor's name, email address and departmental address of the student must be provided when the pack is requested. Offer available while stocks last. Contents may vary from those shown. Available only in Canada.

New England Biolabs Canada Ltd reserves the right i) to discontinue this offer at any time and without prior warning, ii) to decline applications where coronavirus restrictions prevent ease of fulfillment iii) to extend the time period of the offer. No cash or cash equivalent. No substitutions. Void if copied or transferred and where prohibited by law.
